JAPANESE VICTORIOUS

COSSACKS DEFEATED IN BATTLE WITH INFANTRYMEN IN VICINITY OF ANJU.

VICTORS SUFFER SOME LOSS

FIFTY JAPANESE SLAIN IN THE COMBAT WITH THE CZAR'S CRACK CAVALRY.

London, March 29.—The Seoul correspondent of the Daily Mail says that in an engagement March 23, which Japanese infantry had with Cossacks between Anju and Chongju, the Japanese were victorious, but lost fifty killed.

CSAREVITCH BADLY DAMAGED
Russian Battleship Hit During Recent Bombardment.

London, March 29.—No news has been received here regarding the Port Arthur engagement with the exception that the Daily Telegraph's Yinkow correspondent says that the Japanese bombardment badly damaged the forward barbettes of the Russian battleship Csarevitch. The correspondent adds:

"According to a rumor, sixty-five Japanese transports escorted by four cruisers approached Newchwang Saturday and then departed southward. It is stated Viceroy Alexieff will return to Europe in a few days."

The morning Post's Newchwang correspondent learns that the Japanese will not land an expedition in the Liao river valley before April, as their transports are still engaged in conveying troops to Korea.

The correspondent at Shanhaikwan of the Daily Mail asserts that the Chinese have received official authorization to turn over to the Japanese the plant of the Shanhaikwan railway.

The Standard's Tientsin correspondent says that in compliance with Viceroy Alexieff's demand the Tartar general of Fengtien has withdrawn his troops to a distance of sixty miles from Mukden. He adds that the Russians are now left in complete control of the revenue and other departments.

JAP WARSHIP TAKEN

RUSSIAN VLADIVOSTOK SQUADRON RETURNS TO PORT WITH A PRIZE.

Paris, March 29.—The correspondent at St. Petersburg of the Petit Parisien says it is reported that the Vladivostok squadron, under the command of Captain Reitzenstein, has returned to port with several prizes, including a Japanese warship.

NOT OFFICIALLY NOTIFIED.

British Foreign Office Not Informed of Martial Law at Newchwang.

London, March 29.—Up to last night no official communication had reached the foreign office confirming the declaration of martial law at Newchwang, and officials are inclined to the opinion that this indicated that the Russian government had not yet sanctioned Viceroy Alexieff's action.

The declaration of martial law is somewhat anxiously discussed by the London morning papers, among which the question has arisen as to whether Russia is desirous of dragging China into the conflict.

The Standard, recognizing that the neutral powers may protest, considers that "it will be difficult to refuse to either belligerent the right to strategic considerations as paramount over all others in Manchuria."

The Morning Post considers that Russia's action "is calculated to relieve Japan of much embarrassment by removing some of the difficulties

Japan would have had in dealing with Newchwang in the event of it becoming necessary to attack the Russian forces at that point."

OFFICIALS DISAPPOINTED.

Delay in Completing Railroad Around Lake Baikal Annoys Russians.

St. Petersburg, March 29.—There is general disappointment in military circles because of the prospective delay in the completion of the railroad around Lake Baikal. It had been expected that Prince Khilkoff, head of the Russian military railroad communication, would be able to push the construction so that the road would be open April 1, but it is reported that in the contracts just effected, it is provided that the work shall be done by Aug. 1. It is doubtful whether the railroad will be completed even by that time.

VOLUNTEERS REJECTED.

Russia Has Enough Troops for Her Present Needs.

St. Petersburg, March 29.—The general staff announces that for the present no more volunteers will be accepted. About 60,000 men have volunteered for service in the far East, of which number 15,000 have been selected. It must be understood that those who have volunteered are men who are not subject to military service.

NAVAL BATTLE PROBABLE.

Russian and Japanese Fleets Close Together.

London, March 29.—The Weihaikwei correspondent of the Times says: "A Chinese junk which has arrived here reports having seen on the morning of March 29 eleven seaworthy Russian vessels maneuvering in the vicinity of a Japanese fleet which was also maneuvering. No sound of firing was heard here."

FLEET GOING TO THE FAR EAST.

Will Sail Under Sealed Orders From the Czar.

Paris, March 29.—The Petit Journal's St. Petersburg correspondent says: "I learn that the fleet to sail to the far East, about June 15, will consist of 8 battleships, 11 cruisers and torpedo boat destroyers, the number of which has not yet been fixed. Command of the fleet will be entrusted to Admiral Rojestvensky and Grand Duke Alexander Michaelovitch, who will receive sealed personal orders from the emperor to be opened at sea. The Russian war office general staff expects that the first land engagements in the far East will take place in about a week. It is estimated that General Kuroki, commanding the first Japanese army in the Pingyang region, has a total strength of 70,000 men, including a brigade of cavalry and 180 cannon."

ATTEMPT ENDED IN FAILURE.
Plan to Wreck Russian Troop Train Frustrated.

Irkutsk, March 29.—It has leaked out that on the night of March 15 an attempt was made near Tatarskya to wreck a train bearing troops. The attempt failed. It is not known whether Japanese agents were responsible.

ELECTIONS IN IOWA.

Republicans of Des Moines Elect G. W. Mattern Mayor.

Des Moines, Ia., March 29.—George W. Mattern, Republican, was elected mayor of Des Moines Monday by about 2,500 majority over W. L. Carpenter, Democrat. The nine Republican aldermanic candidates were elected.

Waterloo had a fight over the waterworks question and an aldermanic ticket pledged to improve water conditions was chosen.

Boone elected a council composed of two Socialists, two Republicans and one Democrat.

An electric light franchise was endorsed at the Mason City election.

In Fort Dodge asphalt paving furnished the issue. Two Republicans, one Democrat and one Independent were elected to the council.

Three Republicans and one Democrat were elected in Iowa City. Independence elected four Republicans and one Democrat to its council.

J. L. Carey, Dem., was elected mayor of Dennison. Secretary Shaw's home city, two Republicans and one Demo-

crat in the council.

At Clinton, James Patterson, Rep., was elected mayor by 1,500 majority.

Three Republican and two Democratic aldermen were elected at Oska-

loosa.

J. S. Caster, Rep., was elected mayor of Burlington. The city council will be Republican by a large majority.

W. G. Sears, Dem., was elected mayor of Sioux City. The majority of the Democratic ticket was elected.

Dr. Donald MacRae, Dem., was elected mayor of Council Bluffs. Republicans elected one alderman out of eight.

At Logan Lieutenant Governor J. C. Millman was re-elected mayor.

At Neola a telephone franchise was voted after a heated campaign.

BY A DECISIVE MAJORITY.

French Deputies Pass Bill Suppressing Teaching by Religious Orders.

Paris, March 29.—By the decisive majority of 316 to 269 the chamber of deputies last night passed the government bill for the suppression of all forms of teaching by the religious orders. This supplements and completes the work begun by the former premier, M. Waldeck-Rousseau, in 1901.

The first law suppressed the unauthorized teaching orders which had for a long time carried on their vocation without legal sanction. The new law does not make any distinction between authorized and unauthorized congregations, but sweeps away the whole fabric of teaching by religious orders, thus in effect substituting the system of state schools for those heretofore conducted by the orders. The bill is expected to pass the senate without much trouble.

Besides effecting the educational system, the passage of the bill is the achievement of the principal work undertaken by Premier Combes, and it is believed that the premier will now voluntarily retire.

SECURITIES COMPANY IN CUBA.

President Palma Knows Nothing About Alleged Plan.

Havana, March 29.—Rumors which have been circulated in the United States that the Northern Securities company would attempt to domicile itself in Cuba came as a surprise to President Palma. The president said he had no knowledge, written, verbal or otherwise that such an effort would be made.

It does not appear that there is anybody in Havana on such an errand, though according to the rumors which have reached here Levi P. Morton, T. F. Ryan, D. A. Smith, Sir William C. Van Horne and attorneys representing J. J. Hill and J. D. Rockefeller are in Havana requesting President Palma to permit the Northern Securities company to domicile here. Messrs. Morton and Smith and T. F. Ryan came to Cuba with Sir William C. Van Horne and dined with the president last week, after which they proceeded to Santiago de Cuba. The question of the domiciliation of the Securities company was not mentioned at the dinner.

SHOOTS HIS WIFE.

Illinois Man Commits Suicide When Pursued by Citizens.

Danville, Ill., March 29.—C. M. Smith Monday shot his wife twice and, pursued by citizens, shot himself. The citizens, believing him to be dead, left the body to advise the police. Looking back they saw Smith running along the banks of a creek and started in pursuit again. They had nearly reached Smith when he cut his throat with a razor. He died in a few minutes. The wife's wounds are not fatal.

Peterson, a graduate of the University of Wisconsin and formerly one of the most popular students, committed suicide by shooting himself in the head with a revolver last night in his room here. JURY AT ST. LOUIS RETURNS A VERDICT AGAINST THE KANSAS SENATOR.

MOTION FOR A NEW TRIAL

SENTENCE IS DEFERRED UNTIL ARGUMENTS THEREON HAVE BEEN CONCLUDED.

St. Louis, March 29.—Joseph Ralph Burton, senior United States senator from Kansas, was convicted by a jury in the United States district court on the charge of having accepted compensation to protect the interests of the Rialto Grain and Securities com-

pany of St. Louis before the postoffice department. The jury deliberated forty-one hours.

A motion for a new trial was immediately filed by counsel for the senator. Judge Adams thereupon ordered that Senator Burton appear in court either in person or by proxy at 10 o'clock from day to day until the court has heard the arguments for a new trial and, if decided against him, to fix his punishment.

If the verdict is sustained Senator Burton will lose his seat in the senate and forever be prohibited from holding any office of public trust. Each of the five counts constitutes a separate offense and Senator Burton could receive a penitentiary sentence of two years or a \$10,000 fine on each count. Senator Burton's conviction is the first under this section of the statute, which was enacted by congress in 1864.

Senator Burton was indicted in January last. Although as a member of congress he could not be arrested until after that body adjourned he voluntarily surrendered himself to the prosecuting authorities. He still has two years to serve in the senate.

Senator Burton refused to discuss his conviction.

TO TAKE UP \$5,000 OF \$40,000.

The Company Makes An Offer To Pay a Premium of \$1,050

At the special meeting of the board of education a night or two ago the bond question came up and there was a representative of N. W. Harris & Co., of Chicago, present. Of the \$40,000 bonds \$5,000 will be taken up by the board as this amount is in the sinking fund for this purpose. The representative of N. W. Harris & Co. offered to refund the balance, or \$35,000, at 4 1/2 per cent and offered a premium of \$1,050, the bonds to run for twenty years. MANY PERSONS KILLED.

Storms in Arkansas Cause Heavy Loss of Life.

Little Rock, Ark., March 29.—Last week was a week of storms in Arkansas. Wires are still down in the Northwestern part of the state and the extent of the damage to property and the number of livestock killed has not yet been ascertained. The casualties thus far reported are: J. B. Curtis, Newton county; T. L. Williams, Mrs. T. M. Dalton, Frank Eline, Helen Byrnes, child of Whit Crouch and a child of M. Wyatt were killed in or near Gainesville.

Many people were injured and fifty houses were destroyed at Little Rock. Two negro children were killed Thursday night near Solgasch, and Chloe Kilburne, a negro girl, was killed in the wreck of a schoolhouse at Fourche Dam. The death list will probably be much larger and the property loss is enormous.

The storms began on Tuesday, doing some damage in Little Rock and much damage in Pulaski and adjoining counties Thursday.

Friday night's storm swept through parts of Western and Northwestern Arkansas and into Oklahoma.

KING LEOPOLD MAKES REPLY.

Denies Charges Against Congo Free State Government.

London, March 29.—In reply to the charges against the government of the Congo Free state regarding atrocities committed upon the natives made to President Roosevelt and Secretary of State Hay by a delegation from the missionary congress, King Leopold of Belgium has sent official documents to the Associated Press here.

A synopsis of the contents of these papers have been published in a blue book from time to time as occasion arose. They reply to the charges in detail, quoting at length from the replies resulting from numerous investigations, especially that of Roger Casement, the British consul in the Congo Free state, whose report regarding mutilations and other cruelties is severely criticised, as being from native sources and found to be untrue.

A close investigation of the situation is still proceeding under the order of the king of Belgium and after this investigation has been closed the fullest report of it will be given to the public.

WISCONSIN BOY SHOT DOWN.

Killed by a Youth Who Had Recently Saved His Life.

Janesville, Wis., March 29.—George Griffin, aged thirteen years, son of Yardmaster David Griffin of the Northwestern road, was shot and killed Monday by John Condon, aged sixteen years. The bullet struck young Griffin in the neck and he died within a few minutes. Condon escaped but later was captured by officers near his own home.

Condon, just previous to taking Griffin's life, made an attempt upon the life of another young boy, Richard Barry, who eluded him. Condon then proceeded to the Griffin home, where without a word of warning, he levelled a revolver and fired. Griffin fell to the floor of the porch of his house and was carried inside. Persons in the neighborhood state that Condon, the alleged murderer, was intoxicated when he committed the deed. He is the son of James Condon, a saloon-keeper. Last week Condon rescued from drowning the boy he shot down Monday.

NIGHT WITH THE MYSTICS

Great Event Prepared by Zuhrah Temple, N. M. S. for a Brainerd Bunch April 1

A LARGE CLASS TO BE INITIATED

The Final Injunction and Order to the Brainerd Contingent is Certainly a Good One.

On Friday evening April 1 there will be a real warm time at Minneapolis when Zuhrah Temple, Ancient Arabic Order of the Nobles of the Mystic Shrine, will welcome with open arms a contingent of Masonic brothers from Brainerd who will traverse the hot sands. It is understood that there are some ten or fifteen novices for this occasion and special preparations have been made to give them all that there is coming. A replete and interesting pamphlet announcing the event has been sent out and the following is the "final injunction":

"And now Beloved Nobles, this injunction is laid upon you: If you should wear blue trousers, a checked vest, a plaid coat and a spangled necktie, or a pair of striped overalls and rubber boots, it will be all right—that is if you have no dress suit; but no matter if you are arrayed in the habiliments of Adam, you must wear your Fez, but not outside the hall.

"If you don't attend this meeting you will afterwards hire a tramp to kick you.

"Our Illustrious Potentate desires a body guard of about twenty-four strong, faithful Nobles, as Nobles Berry and La-Bar will invade the precincts of Zuhrah with twelve or fifteen Novices from Brainerd, and there is liable to be trouble, as they are a pretty husky lot that come from that neck of the woods and we understand they have all gone in training. But the Nobles of Zuhrah always stand by their Potentate, besides Captain Shuey and his patrol will be there, so he can feel safe.

"The Illustrious Potentate requests that the resident Nobles of Zuhrah Temple assist in seeing that the newly initiated novices get a seat at the banquet table first; next, all visiting Nobles; and next, all out-of-town members of Zuhrah Temple; then get a place yourself."

"I owe my whole life to Burdock Blood Bitters. Scrofulous sores covered my body. I seemed beyond cure. B. B. B. has made me a perfectly well woman." Mrs. Chas. Hutton, Berville, Mich.

Good Reports Come from Washington Regarding the Work of Freeman Thorpe, the Hubert Portrait Painter.

The following dispatch from Washington will be of interest to the friends of Col. Freeman Thorpe, of Hubert: "Freeman Thorpe of Hubert, Minn., has the satisfaction of knowing that his handsome portrait in oil of former Speaker Henderson has been hung in the lobby of the house of representatives. The simple ceremony was witnessed by Representatives Tawney, Stevens and McCleary, Speaker Cannon and other members of the house. Thorpe's portrait of Henderson is regarded as one of the best from an artistic standpoint that hangs in the house lobby.

"Since the acceptance of the Henderson portrait, Mr. Thorpe has painted a portrait of Speaker Cannon, which hangs in the room of the committee on appropriations, and he has just been invited by former Governor Larabee of Iowa to paint portraits of Lincoln, Grant and McKinley for exhibition at the St. Louis exposition."

RICHARD SANGER BEATEN WITH AX

He was Brutally Assaulted in One of the Cross Lake Logging Company Camps.

RELATIVES ARE VERY ANXIOUS

He Lives Here and is Very Well Known—Was Taken to the Hospital at Walker.

Richard Sanger, of this city, who has been working for the Cross Lake Logging company all winter, is lying at the point of death in a Walker hospital and in the event of his death a man by the name of Nick Hill, a lumberman, who is incarcerated in the jail at Walker, will be held on the charge of murder in the first degree.

The following from the Duluth Herald gives the details of what happened in the logging camp:

"Nick Hill, a Finlander, was taken to Walker today by Deputy Sheriff Riddell from the Cross Lake Lumber company's logging camp about twenty miles from there and is held on what is likely to be a murder charge. Yesterday Foreman Hill was abusing a young lad in the camp and Richard Sanger interfered on the boy's behalf and told Hill he ought not to do as he was doing. Hill picked up an ax and struck Sanger a furious blow just under the left shoulder, inflicting a terrible wound. Hill was promptly secured and there was talk of lynching him, but wiser counsels prevailed.

"Messengers were sent to Walker for a doctor and a sheriff. Hill and his victim were brought in just before noon today. The doctors say there is hardly any hope of saving Sanger's life.

"Sanger's home is at Brainerd. He is about 60 years old. Hill is about 28. He had only recently arrived at the camp and nothing is known of him."

THE CHOUNARD CASE

Will Be Tried at the Coming Term of the District Court to Be Convened at Walker.

The next term of the district court of Cass county will be held at Walker commencing April 19.

It is expected that Judge Marshall M. Spooner, of Bemidji, will preside, as Judge McClenahan was on the bench at the fall term and by rotation it would be Judge Spooner's term.

Among the important matters for the grand jury is the case of William Chounard, who was bound over to the grand jury on the charge of murder in the first degree, having shot his wife at Cass Lake on the night of Jan. 26.

For some time previous to the shooting Chounard and his wife had been living in a house of ill repute. The woman was good looking and had several admirers, which fact caused Chounard to become extremely jealous of her. On Jan. 26 Mrs. Chounard came to town and was met by Mr. Chounard who accused her of unfaithfulness, and promised her a "licking." It was noticed that he was intoxicated. Chounard and his wife left for the house shortly after 10 o'clock and about 11 the shooting occurred. From the testimony of eye witnesses at the inquest, Chounard pulled a revolver and shot his wife three times. After the first shot was fired Mrs. Chounard asked him to remember their little girl, but he was unmoved by the appeal, and fired two more shots, all three of which took effect and resulted in her death.

Chounard has employed A. T. Larson of Brainerd as his attorney. It is more than probable that the defense will set up the plea that Chounard was so much under the influence of liquor as not to have been aware of what he was doing or that he was mentally unbalanced.

MUSIC AND DRAMA.

"BROWN'S IN TOWN."

This morning at Dunn's drug store the sale of seats opened for "Brown's in Town," the very clever farcical effusion which comes to the Brainerd opera house tomorrow night. It is described by the manager as a balm for jaded nerves. Its humorous complications are highly effective; the dialogue is sparkling, witty, and the story is an entirely new one. The farce is free from marital infidelities or innuendo of immorality and the time-worn, bald headed benedict who flirts with a music hall singer is also eliminated. The conventional old maid and the fussy mother-in-law are dispensed with as well as the hen-eyed German, Irish or French maid. "Brown" has a maid but she is a novel one; one you can see every day. The piece is full of humorous complications, with novel effects, catchy music, bright songs and pretty dances. The company is an excellent one which includes Charles Horn, George Welch, Perry Alexander, Frank Millard, Emanuel Ward, Edna Hickley, Fannie Midgeley, Elizabeth Lindell Whipples, Coralie Clifton and others.

THE HUBBLAR

The attraction at the Brainerd opera house next Monday night, April 4th, is Augustus Thomas' beautiful play, "The Burglar." This is not a melodrama, as some may infer from the title. It is a charming comedy-drama written around the pretty one-act play "Editha's Burglar." A clever child is necessary to enact the difficult role of "Editha." Mr. Thomas is one of the foremost of American playwrights. Local theatregoers have probably seen and admired his beautiful play, "Alabama," also his stirring picture of western plain life, "Arizona."

A competent company will present "The Burglar" here.

The Chippewa Reservation Estimators Have a Social Session of Their Own at Cass Lake.

The members of the Chippewa estimating corps have disbanded and as a sort of farewell and opportunity to exchange goodbyes among themselves and with their many friends in Cass Lake they gave a banquet at the Hotel Bedford Saturday night, says a dispatch from Cass Lake. In addition to Chief E. L. Warren and the members of the corps and the clerks, there were a number of invited guests, including Senator Wm. O'Neil, superintendent of logging, R. S. Bruce, chief lumberman of the bureau of forestry, A. G. Bernard, who spent two winters at Washington working for the passage of the Morris law, and others. The members of the corps who were present were as follows: Assistant Chief E. T. Bigelow, E. J. Fulton, W. N. Chase, P. A. Welsh, T. A. Bury, A. G. Morrisette, Samuel Tribbey, E. S. Wilcox. T. A. Bury was chosen as toastmaster, and after an excellent supper had been disposed of and champagne, punch and wine were being drunk to the health of the departing members of the corps, several of those present were called on for remarks.

EASY WAY TO CURE CATARRH

Breathe Hyomei and Kill all Catarrhal Germs—"Money Back if it Fails." Say H. P. Dunn & Co.

There is no dangerous stomach drugging when using Hyomei. The healing and aromatic balsams which compose this wonderful treatment are breathed through a neat pocket inhaler that comes with every \$1 outfit.

In this way, the germ-killing and health giving Hyomei penetrates to the most remote cells of the lungs. It searches out and kills disease germs in the air passages of the head, throat and nose, soothes and heals the irritated mucous membrane, and absolutely drives catarrh from the system.

Such remarkable results have followed the use of Hyomei by the best people in Brainerd that H. P. Dunn & Co. have the greatest confidence in its power to cure catarrh. They believe in it so thoroughly, that they will give their personal guarantee to refund the money if it does not cure, the purchaser to be the sole judge.

This is an unusual offer and the first time that any medicine or treatment for the cure of catarrh has been sold in this way. If it cures, the expense is trifling, while if it fails, the cost is absolutely nothing.

If you are fortunate enough not to be troubled with catarrh, tell your friends of H. P. Dunn & Co.'s offer and get them to take advantage of it. 10

Now is the time to clean house—clean your system first, drive out the microbes of winter with Hollister's Rocky Mountain Tea. It will keep you well all summer. 35 cents. Tea or tablet form. H. P. Dunn & Co.

NIGHT WITH THE MYSTICS

Great Event Prepared by Zuhrah Temple, N. M. S. for a Brainerd Bunch April 1

A LARGE CLASS TO BE INITIATED

The Final Injunction and Order to the Brainerd Contingent is Certainly a Good One.

On Friday evening April 1 there will be a real warm time at Minneapolis when Zuhrah Temple, Ancient Arabic Order of the Nobles of the Mystic Shrine, will welcome with open arms a contingent of Masonic brothers from Brainerd who will traverse the hot sands. It is understood that there are some ten or fifteen novices for this occasion and special preparations have been made to give them all that there is coming. A replete and interesting phanlet announcing the event has been sent out and the following is the "final injunction":

"And now Beloved Nobles, this injunction is laid upon you: If you should wear blue trousers, a checked vest, a plaid coat and a spangled necktie, or a pair of striped overalls and rubber boots, it will be all right—that is if you have no dress suit; but no matter if you are arrayed in the habiliments of Adam, you must wear your Fez, but not outside the hall.

* If you don't attend this meeting you will afterwards hire a tramp to kick you.

"Our Illustrious Potentate desires a body guard of about twenty-four strong, faithful Nobles, as Nobles Berry and La-Bar will invade the precincts of Zuhrah with twelve or fifteen Novices from Brainerd, and there is liable to be trouble, as they are a pretty husky lot that come from that neck of the woods and we understand they have all gone in training. But the Nobles of Zuhrah always stand by their Potentate, besides Captain Shuey and his patrol will be there, so he can feel safe.

"The Illustrious Potentate requests that the resident Nobles of Zuhrah Temple assist in seeing that the newly initiated novices get a seat at the banquet table first; next, all visiting Nobles; and next, all out-of-town members of Zuhrah Temple; then get a place yourself."

"I owe my whole life to Burdock Blood Bitters. Scrofulous sores covered my body. I seemed beyond cure. B. B. B. has made me a perfectly well woman." Mrs. Chas. Hutton, Berville, Mich.

"OUR" PAINTER IS SOME.

Good Reports Come from Washington Regarding the Work of Freeman Thorpe, the Hubert Portrait Painter.

The following dispatch from Washington will be of interest to the friends of Col. Freeman Thorpe, of Hubert: "Freeman Thorpe of Hubert, Minn., has the satisfaction of knowing that his handsome portrait in oil of former Speaker Henderson has been hung in the lobby of the house of representatives. The simple ceremony was witnessed by Representatives Tawney, Stevens and McCleary, Speaker Cannon and other members of the house. Thorpe's portrait of Henderson is regarded as one of the best from an artistic standpoint that hangs in the house lobby.

"Since the acceptance of the Henderson portrait, Mr. Thorpe has painted a portrait of Speaker Cannon, which hangs in the room of the committee on appropriations, and he has just been invited by former Governor Larabee of Iowa to paint portraits of Lincoln, Grant and McKinley for exhibition at the St. Louis exposition."

A household necessity—Dr. Thomas' Eclectic Oil. Heals burns, cuts, wounds of any sort; cures sore throat, croup, catarrh, asthma; never fails.

RICHARD SANGER BEATEN WITH AX

He was Brutally Assaulted in One of the Cross Lake Logging Company Camps.

RELATIVES ARE VERY ANXIOUS

He Lives Here and is Very Well Known—Was Taken to the Hospital at Walker.

Richard Sanger, of this city, who has been working for the Cross Lake Logging company all winter, is lying at the point of death in a Walker hospital and in the event of his death a man by the name of Nick Hill, a lumberman, who is incarcerated in the jail at Walker, will be held on the charge of murder in the first degree.

The following from the Duluth Herald gives the details of what happened in the logging camp:

"Nick Hill, a Finlander, was taken to Walker today by Deputy Sheriff Riddell from the Cross Lake Lumber company's logging camp about twenty miles from there and is held on what is likely to be a murder charge. Yesterday Foreman Hill was abusing a young lad in the camp and Richard Sanger interfered on the boy's behalf and told Hill he ought not to do as he was doing. Hill picked up an ax and struck Sanger a furious blow just under the left shoulder, inflicting a terrible wound. Hill was promptly secured and there was talk of lynching him, but wiser counsels prevailed.

"Messengers were sent to Walker for a doctor and a sheriff. Hill and his victim were brought in just before noon today. The doctors say there is hardly any hope of saving Sanger's life.

"Sanger's home is at Brainerd. He is about 60 years old. Hill is about 28. He had only recently arrived at the camp and nothing is known of him."

Hives are a terrible torment to the little folks, and to some older ones. Easily cured. Doan's Ointment never fails. Instant relief, permanent cure. At any drug store, 50 cents.

THE CHOUNARD CASE

Will Be Tried at the Coming Term of the District Court to Be Convened at Walker.

The next term of the district court of Cass county will be held at Walker commencing April 19.

It is expected that Judge Marshall M. Spooner, of Bemidji, will preside, as Judge McClenahan was on the bench at the fall term and by rotation it would be Judge Spooner's term.

Among the important matters for the grand jury is the case of William Chounard, who was bound over to the grand jury on the charge of murder in the first degree, having shot his wife at Cass Lake on the night of Jan. 26.

For some time previous to the shooting Chounard and his wife had been living in a house of ill repute. The woman was good looking and had several admirers, which fact caused Chounard to become extremely jealous of her. On Jan. 26 Mrs. Chounard came to town and was met by Mr. Chounard who accused her of unfaithfulness, and promised her a "licking." It was noticed that he was intoxicated. Chounard and his wife left for the house shortly after 10 o'clock and about 11 the shooting occurred. From the testimony of eye witnesses at the inquest, Chounard pulled a revolver and shot his wife three times. After the first shot was fired Mrs. Chounard asked him to remember their little girl, but he was unmoved by the appeal, and fired two more shots, all three of which took effect and resulted in her death.

Chounard has employed A. T. Larson of Brainerd as his attorney. It is more than probable that the defense will set up the plea that Chounard was so much under the influence of liquor as not to have been aware of what he was doing or that he was mentally unbalanced.

Of Mondovio, Wis., was given Greene's Cough Cure by her mother as a means of checking a case of grip and cold on the lungs. Her fever was 103 and she was completely prostrated when the remedy was first employed—in twelve hours her temperature was normal and she was sleeping quietly. In four days she was pronounced completely recovered. Greene's Cough Cure is especially prepared for children and is guaranteed to be absolutely safe and reliable. Mothers should have it ready for emergencies. Prices 25c and 50c. H. P. Dunn & Co.

CONDITIONS IMPROVE

THE FLOOD SITUATION IN GRAND RIVER VALLEY OF MICHIGAN IS BETTER.

RIVERS SLOWLY RECEDING

ALL THE PEOPLE DRIVEN OUT OF THEIR HOMES ARE BEING CAREFULLY CARED FOR.

Grand Rapids, Mich., March 29.—Flood conditions in the Grand River valley have greatly improved in the past twenty-four hours and unless there should be a fall of rain, which is threatening, further danger from high water has passed. The river has lowered nine inches from high water mark at 20.5 feet. The water is now steady.

At Ionia it has fallen eighteen inches and at Lowell fifteen inches.

Train service has somewhat improved and by detours traffic to Detroit and the East is partially restored. Bay City, Mich., March 29.—Flood conditions are very grave. THE PROPERTY LOSS IN INDIANA FROM FLOODS AMOUNTS TO MILLIONS.

Indianapolis, March 29.—Northern and Central Indiana, including the capital city, have seen the worst of the flood and are now repairing the heavy damage. The crest of the flood will reach the Ohio river in two days.

White river at Indianapolis reached seventeen feet seven and three-quarters inches above low water mark, a record height. It is estimated the damage to this county will reach \$2,225,000 and north of this county an additional \$1,000,000. In this city 1,200 families were driven from their homes. The city authorities Monday resolved upon issuing \$1,000,000 flood bonds to repair the damage to the public utilities; but the loss in this one feature may be more than double that figure. Monday the city was almost entirely without traction service and water. It is expected the waterworks will partially resume today.

Eight lives have been lost in the Indiana flood in two days, and the total property loss in the state has been estimated at from \$8,000,000 to \$10,000,000.

Bridges and trestles have been swept away by the dozens. Others that have not gone out are dangerous. Railroad schedules are still wild.

Washington, March 29.—The sundry civil bill was before the house Monday, but debate took a wide range. Mr. Gillett of Massachusetts devoted considerable time to answering some of the statements recently made on the floor by Mr. Spright of Mississippi regarding the race question. Mr. Gillett declared he had supposed there were no social grades in the United States, but that every man had the right to choose his own friends and associates among those most in sympathy with himself.

He defended the president for inviting Booker T. Washington to dine with him and said the president was a man of a big heart, as well as of birth, breeding and cultivation.

A strong plea for the tobacco growers was made by Mr. Trimble of Kentucky.

ORDER OF PENSION BUREAU.

Disability Ruling the Subject of Discussion in the Senate.

Washington, March 29.—The senate Monday for three hours discussed the recent order of the pension bureau making old age an evidence of disability, and then passed the District of Columbia appropriation bill. The discussion of the pension order was based on the resolution offered some days ago by Mr. Carmack directing the committee on the judiciary to inquire into the authority of the executive branch of the government to make such an order. Mr. Carmack contended that no such authority exists, but several Republican senators argued that the order was in line with the regulation issued by Judge Lochren, commissioner of pensions under Mr. Cleveland, fixing sixty-five years of age as evidence of infirmity. They also declared that the new order would have only the effect of affording prima facie evidence of disability and not that of giving a pension solely because the age of sixty-two years had been reached by the pension applicant.

SWAYNE MAY ESCAPE

HOUSE JUDICIARY COMMITTEE MAY NOT FAVOR IMPEACHMENT OF THE JUDGE.

Washington, March 29.—Representative Gillett of California has prepared and submitted for the minority a report against the resolution adopted by the majority of the committee on the judiciary to impeach Judge Swayne of the Northern district of Florida, for high misdemeanor. Every ground urged by the committee for impeachment is attacked in this report.

On the question of nonresidence, it appears from the minority report that Judge Swayne moved to Florida in 1885 and in 1889 was appointed district judge of the Northern district of Florida and made his home at St. Augustine. The boundary of the district was changed and Swayne removed to Pensacola. The efforts he made to procure a residence in which to live in that place are set forth and it is shown he lived there in a hotel.

Judge Swayne, the report says, was absent a great deal from his district, but this was due to the fact that he was ordered by Judges Pardee and McCormick to Alabama, Louisiana and Texas, where he held court each year from six to eight months.

The report deals with three contempt cases, those of O'Neal, Belden and Davis, and upholds the action of Judge Swayne. The action of Judge Swayne in refusing to try the Haskins bankruptcy case without certain books being presented in evidence is held to be proper and showing discretion.

Mr. Gillett states that the report will be signed by himself, Chairman Jenkins and Representatives Alexander, Parker and Littlefield.

Representatives Nevin, Thompson, Warner and Pearre were absent at the time the vote was taken, but Mr. Gillett believes they also will sign the minority views, which would divide the committee nine against and eight for impeachment.

Chicago, March 29.—The subcommittee of the Republican national committee having in charge the arrangements for the national convention in this city, met Monday with the local committee to discuss the preparations that have been made at the Coliseum, where the convention is to be held.

The meeting was entirely harmonious, all the arrangements made by the local committee were approved by the members of the national committee.

Although it was claimed Chicago had never promised to put up a sum of money for the use of the national committee, the local body placed \$5,000 at the disposal of the national committee, and agreed to pay all bills for the convention.

In going over the arrangements made for seating, it was found that the total number of seats in the hall will be 8,428. Of these 500 will be on the stage and 275 will be for the press; there will be 900 seats for delegates and the same number for alternates, leaving 5,673 for spectators.

CONDITIONS IMPROVE

THE FLOOD SITUATION IN GRAND RIVER VALLEY OF MICHIGAN IS BETTER.

RIVERS SLOWLY RECEDING

ALL THE PEOPLE DRIVEN OUT OF THEIR HOMES ARE BEING CARED FOR.

Grand Rapids, Mich., March 29.—Flood conditions in the Grand River valley have greatly improved in the past twenty-four hours and unless there should be a fall of rain, which is threatening, further danger from high water has passed. The river has lowered nine inches from high water mark at 20.5 feet. The water is now steady.

At Ionia it has fallen eighteen inches and at Lowell fifteen inches.

Train service has somewhat improved and by detours traffic to Detroit and the East is partially restored.
